The Successful Awardee will only be paid for goods delivered and accepted, or services performed in accordance with the manner of performance set forth in the contract less any damages to the County caused by such default.

**KING COUNTY CONTRACTING OPPORTUNITIES PROGRAM**  
**FOR GOODS AND SERVICES CONTRACTS**

The King County Contracting Opportunities Program is a public contracting assistance program that is being implemented on a one-year pilot basis. The purpose of the Program is to maximize the participation of Small Economically Disadvantaged Businesses through the use of a five percent (5%) incentive factor in the award of King County contracts for the purchase of goods and services.

A "Small Economically Disadvantaged Business" (SEDB) means that a business and the person or persons who own and control it are in a financial condition which puts the business at a substantial disadvantage in attempting to compete for public contracts. The relevant financial condition for eligibility under the Program is based on a dollar ceiling for standard business classifications that is set at fifty percent (50%) of the Federal Small Business Administration (SBA) and Owners' Personal Net Worth less than \$750K dollars.

A "Certified Firm" means a business that has applied for participation in King County's Contracting Opportunities Program, and has been certified as an SEDB by the King County Business Development and Contract Compliance (BDCC) office. Information about becoming a Certified Firm, as well as a list of Certified Firms, may be obtained by contacting the BDCC office at (206) 205-0700.

**Application of the 5% Incentive Factor and Contract Award:**

1. This contract will be awarded to the lowest responsive, responsible offeror; provided, however, that if the bid price of a responsive, responsible SEDB is within five percent (5%) of the bid price of the lowest responsive, responsible offeror, and that offeror is not a SEDB, then the contract shall be awarded to the low SEDB offeror.
2. All certified SEDB offerors must complete the information in the section for Offeror Identification as described in the front page of this Invitation To Bid and the certification information below.
3. (\_\_\_) Check if firm submitting Bid is a Small Economically Disadvantaged Business Enterprise certified by King County that will perform the entire contract unassisted.
